

MAHMUDA BINTE SAYEED

Web Application Developer | UI/UX Designer

About Me

Experienced web developer with strong skills in PHP, Laravel, React, Vue, and WordPress. Also a skilled UI/UX designer proficient in Figma, with a focus on creating user-friendly and visually appealing designs. Have a background in research, bringing analytical and problem-solving skills to every project. Looking for a developer role in an IT company where I can contribute and grow professionally. Eager to apply my expertise in both development and design to create impactful digital solutions.
